-Bound Volumes of Journals:

Bound Journals Volumes are the most valuable treasure of any academic library, the Central Library also understand this fact and accordingly maintaining different back volumes of journals, these are available in the reference section of the library.

-CD-ROM:

The library is maintaining a number of CD-ROMs, in its circulation section, the majority of these are received with different books. These CD-ROMs contain software, design, data table, exercises, problems and their solutions, projections/maps, and the like. Apart from these, there are a number of CD-ROMs useful for learning different languages.

Library maintains these CD-ROM with the help of CD-ROM equipment, a title and subject wise index is also maintained for the easy retrieval of CD-ROMs.
